How to apply and register

Postgraduate qualifications in Citizenship and History Education

You can **either** apply online (www.londonexternal.ac.uk/prospective_students/postgraduate/inst_education/citizenship/apply.shtml) or by post, using this application form. Do **not** submit an online application and one by post. If you do, this will inevitably delay **both** applications.

If you decide to apply online, please ensure you print off (or refer to the 'Guidance notes for applications' (Postgraduate) (www.londonexternal.ac.uk/forms/online_application_forms/guidance_notes.pdf) before you complete the online application.

If you prefer to send your application by post (not by fax), please follow the instructions below.

Stage 1

Complete the application form and submit it by post, together with all the documentation listed on page 4 of the form, to:

Postgraduate Admissions Office
External System
University of London
Stewart House
32 Russell Square
London WC1B 5DN
Tel: +44 (0)20 7862 8376
Fax: +44 (0)20 7862 8363
Email: postgraduate_admissions@london.ac.uk

If you cannot send all the documentation with your application form, please enclose a letter with the form giving the reasons. We must receive your application form plus all documentary evidence and references in London by **15 November 2009** for the January 2010 intake and **30 June 2010** for the September 2010 intake.

If your application form or documentary evidence/references are received after this date, we may not be able to consider your application in time for you to register by the deadline for the next examination. You might have to postpone your first examination until the next sitting.

Stage 2

We will acknowledge receipt of your application form and send you a student number to use as a reference whenever you contact the University. Everyone who applies is allocated a number. You should receive an acknowledgement **within three weeks** of posting your application, but if you do not please contact the Postgraduate Admissions Office (to help us identify your application please give your full name, the programme for which you have applied and the date you posted your form).

Stage 3

Your application will be considered only when we have received all your documentary evidence and both references. After due consideration you will be told if your application has been successful or not.

Note:

- if there is a delay in sending any of the documentation or your references we will have to wait to receive them before we can begin considering your application. This is because we need to have as much information about you as possible before we can reach a decision.

Stage 4

If your application has been successful we will send you a conditional offer of registration together with the following documents:

- a fee slip for the registration and course fees
- a registration form on which you indicate your choice of modules
- a copy of the Regulations
- information on how to complete the induction module

Please note that the offer of registration will be valid only for the year specified in the offer letter.

Stage 5

To register, complete the registration form and fee slip. Return them by **15 January 2010** for the January 2010 intake and **31 August 2010** for the September 2010 intake, together with the registration fee and the module fees for the modules you will be taking at your first examination, to:

Notes:

- You are asked to note that there is a limit to the number of students who can be registered for this programme. Therefore registration will only be confirmed on payment of the appropriate fee, if there is still a place available for that study year and if you have completed the induction module.
- A student whose registration is not confirmed will be made an offer to register for the following year instead.
- Applicants come to us from all over the world, with a variety of qualifications, and as a result we have to consider each application thoroughly and on an individual basis. We regret that it is not possible for us to give you any informal advice on your eligibility for admission. For this reason, you must make a formal application before we can tell you whether we can accept you.
