United Kingdom
Tel: +44 (0)20 7862 8376

Email: postgraduate_admissions@london.ac.uk

If you are unable to send all the documentation with your application form, please enclose a letter with the form giving the reasons. You can apply at any time of year, although we would strongly encourage you to apply as early as possible. We **must** receive your application plus all documentary evidence and references in London **by 31 May** if you intend to take your first examination in May/June (of the following year). If your application form or documentary evidence/references are received after this date, we may not be able to consider your application in time for you to register by the deadline for the next examination. You might have to postpone your first examination until the next sitting.

Stage 2

We will acknowledge receipt of your application form and send you a student number to use as a reference whenever you contact the University. Everyone who applies is allocated a number. You should receive an acknowledgement **within three weeks** of posting your application, but if you do not please contact the Postgraduate Admissions Office at the above address. Please give your full name, the programme for which you have applied and the date you posted your form to help us identify your application.

Stage 3

Your application will be considered only when we have received all your documentary evidence and both references. After due consideration you will be told if your application has been successful or not. You are asked to note that if there is a delay in sending in any of the documentation or your references, we will have to wait to receive them before we can begin considering your application. This is because we need to have as much information about you as possible before we can reach a decision.

Stage 4

If your application has been successful we will send you:

- a conditional offer of registration for your chosen programme. Please note that the offer will be valid only for the study year specified in the offer letter (please see 'Note' below)
- a fee slip for the registration and course fees
- a registration form on which you indicate your choice of courses
- a copy of the MSc/Postgraduate Diploma/Postgraduate Certificate regulations.
- information on how to complete the induction module

Stage 5

To register, complete the registration form, fee slip and the form confirming you have completed the induction module. Return them, as soon as possible, together with the registration fee and the course fees for the courses you will be taking at your first examination, to:

Fax: +44 (0) 20 7862 8238
Email: external.registry@london.ac.uk

Although you can register at any time of year, fees must be received **by 31 July** if you intend to take your first examinations in May/June (of the following year).

Stage 6

When you register, we will send you details of how to access the Virtual Learning Environment and other study materials by courier, as soon as possible after we receive the appropriate fees.

Note: You are asked to note that there is a limit to the number of students who can be registered for this programme, therefore registration will only be confirmed on payment of the appropriate fee and if there is still a place available for that study year. A student whose registration is not confirmed will be made an offer to register for the following academic year instead.
