

Supplement

Economics, Management, Finance and Social Sciences Regulations 2008–09

EMFSS Programme: degrees and diplomas in the fields of Economics,
Management, Finance and the Social Sciences

August 2008: First supplement to the 2008–09 Regulations

This supplement contains updated and additional information relating to the 2008–09 Regulations.

Schedule C / Automatic Exemptions Table 2008–09

The following information should be noted in addition to the information in the Automatic Exemptions Table published in Schedule C of the EMFSS Programme Regulations.

This information is for students with the diplomas, among those listed in the Automatic Exemptions Table as qualifying for EMFSS exemptions, for which bridging courses offer further exemptions. These diplomas are available from Nanyang Polytechnic, Ngee Ann Polytechnic, Singapore Institute of Management, Singapore Polytechnic, and Temasek Polytechnic, Singapore.

Students with these diplomas should be aware that the Singapore Accountancy Academy (SAA) offers bridging courses in Economics and Mathematics, which, if passed, allow exemptions for the unit **02 Introduction to economics** and the half unit **05a Mathematics 1** respectively.

A revised Automatic Exemptions Table including these bridging courses can be found at the following location on the University of London External System website.
